THE BOROUGH OF MONROEVILLE, a municipal corporation organized and existing under the laws of the Commonwealth of Pennsylvania and located in Allegheny County, Pennsylvania, party of the second part,

WITNESSETH:

WHEREAS, the said party of the first part is about to or is constructing an addition to the terminal building and the quick line building located in the Borough of Monroeville, and

WHEREAS, it is the desire of the party of the first part to have sanitary sewer facilities serve the said properties; and

WHEREAS, the said party of the first part has indicated its willingness to pay to the Borough of Monroeville a sum sufficient to construct said sanitary sewer facilities to the property involved.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained, the parties hereto agree as follows:

1. Upon execution of this agreement, the party of first part shall deposit with the Treasurer of the Borough of Monroeville the sum of Three Thousand (\$3000.00) Dollars to be held by the said Treasurer as escrow agent for the parties hereto, which sum shall be set aside in a separate bank account with the Pittsburgh National Bank, Miracle Mile Office.

2. The said sum of Three Thousand (\$3000.00) Dollars shall be used by the escrow agent for the payment of all engineering fees, rights of way, permits and costs of construction of a sanitary sewer line from the property of the said party of the first part to and for the purpose of connecting with the existing sanitary sewer facilities of the party of the second part.

3. The party of the second part shall cause plans and specifications of the said sewer line to be prepared by its engineers, and shall have the contract for the construction of the said sewer advertised for bids in the manner provided by law.

4. Upon the completion of the sanitary sewer line and immediately prior to the same being available to be tapped into, the party of the first part shall pay an additional \$3000.00 to the party of the second part.

5. Should the total of the said construction and engineering costs, permits and rights of way exceed SIX THOUSAND (\$6000.00) DOLLARS and should the party of the first part refuse to advance the additional amounts necessary to cover such costs, then the Borough of Monroeville may at its option:

(a) proceed with the construction of the said sewer line, advancing any additional cost out of its own funds; or

(b) terminate this agreement without further action.

6. In the event that the party of the second part elects to terminate this agreement under the terms of paragraph 5-b above, the said escrow agent shall reimburse to the party of the second part for all expenses incurred in connection with this Agreement for engineering, legal or advertising fees, and for costs of construction if the same has commenced. The remaining balance of the said escrow fund shall forthwith be repaid to the party of the first part.

7. The plans and specifications of the said sewer line shall be made in accordance with the regulations of the party of the second part.

8. It is understood by the parties hereto that the said sewer line shall be designed to service property owners along its route as well as to be further extended at the discretion of the party of the second part to service such additional properties as it may see fit.

9. When the party of the second part establishes a commercial tap-in fee for the use of the sanitary sewers the Six Thousand (\$6000.00) Dollars to be paid under the terms hereof shall be credited to the account of the party of the first part for the charges of the sanitary sewer. In the event that aforesaid sum is insufficient to pay the established tap-in fee, the party of the first part hereby agrees to pay on demand to the party of the second part the additional sum necessary to pay said charge. In the event that the established charge is less than Six Thousand (\$6000.00) Dollars, the party of the second part will promptly refund the difference to the party of the first part.

10. It is hereby understood and agreed that the term "commercial tap charges" as used herein shall be construed broadly, so as to include any type of charge established by the Borough of Monroeville for the payment or the recovery of, costs, damages and expenses for the construction of said sewer line, excepting charges for the treatment of sewage.

11. It is further understood and agreed by the parties hereto that the said sewer line constructed under the terms hereof shall be, and at all times remain, the property of the party of the second part its successors or assigns.

12. This agreement shall be binding upon the parties hereto, their heirs, executors, administrators, successors and assigns.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals the day and year first above written.
