Section 5. All employees designated in Section 1 above receiving monthly compensation, rather than hourly compensation, except for the Mayor, Councilman, Borough Solicitor and Dog Catcher, shall perform their duties as defined by their respective supervisors, for forty (40) hours per week, at such hours as designated by the Borough Manager, and by the Mayor in the case of police employees.

Section 6. Such overtime, when properly authorized and approved, shall be duly recorded by the respective supervisors in units of hours. Twenty (20) minutes of more shall be considered a full hour for overtime purposes; less than twenty (20) minutes shall not be recorded. Non-supervisory employees, who work Saturdays, Sundays or holidays, shall be compensated by commensurate time off, as for overtime. Such employees required to work holidays, as hereinafter defined, shall receive an extra day's compensation, as well as their regular rate of compensation. In lieu of such extra day's compensation for holiday work, the Borough Manager, or the Mayor in the case of police personnel, may assign an extra day off with full regular pay. For purposes of determining the daily rate of compensation for those employees compensated on a monthly basis, the daily rate shall equal the monthly rate divided by twenty-two (22).

Section 8. Compensation for all employees other than Borough officers and the Dog Catcher, although expressed in monthly rates or hourly rates, shall be paid bi-weekly. For such employees as compensation is expressed on a monthly basis, the bi-weekly rate shall equal the monthly rate multiplied by twelve (12) and then divided by twenty-six (26), and subject to final adjustment for the last full pay period during the calendar year.

ARTICLE III.

Sick Leave

Section 1. Sick leave shall be granted only to such employees and under such circumstances, as hereinafter set forth, and due only to the personal illness of such employees or to death in the immediate family. The immediate family shall include only father, mother, wife, husband, parents of wife or husband, child, brother, sister, grandparents and grandchildren.

Section 2. Sick leave may not be cumulative from year to year, but may only be used within the year allowed.

For extended sick leave, as defined above, compensation shall be equal to one-half of such employee's regular salary.

Section 5. Supervisory employees may have sick leave with compensation at full pay, with the approval of the Borough Manager and Borough Council. Such sick leave shall be computed on a daily basis as a sum equal to the monthly rate divided by twenty-two (22). In no event shall such sick leave compensation exceed the regular rate of compensation.

Section 6. All such sick leave compensation, as established above, shall be reduced by an amount equal to any Workmen's Compensation benefits or benefits of any health and accident insurance, the premiums for which are paid for by the Borough, that such employees may be legally entitled to receive, as determined by the Borough Manager. This reduction shall be made regardless as to whether or not such employees actually make application for such benefits.

Section 7. Sick leave, when used, shall be of at least one (1) day's duration. If an employee is required to leave work in the midst of a day, having worked four (4) hours or more, and does so with the approval of his supervisor, he shall not be charged with sick leave for that day. All employees shall notify their supervisors, as promptly as possible, of their intention to be absent on sick leave. Any employees absent on sick leave, due to personal illness, for three (3) or more consecutive working days, shall submit to their supervisors a written doctor's statement, indicating the medical need for such absence. No such sick leave shall be payable unless the medical statement is submitted promptly.

Section 8. Skilled Workers 1 and 2 and Laborers 1 and 2, although not entitled to sick leave as hereinabove defined, shall nevertheless be entitled to a maximum of three (3) days' absence at three-fourth (3/4ths) of his regular daily rate of pay due to the death of a member of his immediate family defined in Section 1 of this Article. In no event, however, shall such absences exceed five (5) days during any calendar year.
