NOW, THEREFORE, in consideration of the mutual promises hereinafter set forth, it is agreed by and between the parties as follows:

1. RECOGNITION

1.1. The Employer recognizes the Union as the sole and exclusive bargaining agent for that subdivision of Municipal Employees comprised of all of the following full time and regular part time employees: (See Appendix A)

1.2. A seasonal employee is defined as any employee hired to perform work of a seasonal nature, (for example, summer help) and whose period of employment shall not exceed one hundred and twenty (120) calendar days.

1.3. A part-time employee is defined as any employee hired to perform work of a part-time nature and whose period of employment shall not exceed 32 hours per week excluding training sessions/classes and emergencies. 2. MANAGEMENT RIGHTS

2.1 The Management of the Municipality and the Direction of the working forces are vested exclusively with the Employer, except where expressly limited by a specific provision of the Agreement. Matters for inherent managerial policy are reserved exclusively to the Employer. These include, but shall not be limited to, such areas of discretion or policy as:

- C. It's overall budget;
- D. The utilization of technology;
- E. The organizational structure; and

2.2 The Union, on behalf of the employees, agrees to cooperate with the Employer to attain and maintain maximum service and efficiency.

2.3. There shall be no individual agreements between employees and the Employer.

2.4. Nothing herein contained is to be construed to mean that an employee or group of employees have inherent rights to a particular task or job.

3. GENERAL CONDITIONS

It is the intent and purpose of the parties hereto that this Agreement with set forth the rates of pay and other conditions of employment, and will promote and improve orderly and peaceful relations between the parties in order to achieve uninterrupted operations as well as to achieve the highest level of employee performance, consistent with safety, good health, and sustained effort. In addition to the conditions that may be provided elsewhere in this agreement, the following shall be observed:

3.1. The Employer and the Union jointly agree that there shall be no discrimination against any employee or applicant for employment on the basis of race, color, creed, religion, sex, age, national origin, ancestry, or political affiliation. There shall be no discrimination on the basis of handicap or disability or against or against qualified individual with a disability as prohibited by the Pennsylvania Human Relations Act or the American with Disabilities Act. 3.3. Union activities shall not interfere with the normal operation of the Employer's services. The Union's President shall be provided with a work schedule of two (2) hours less work time per week (with no loss of pay) than the regular full-time schedule for the occupation. Two (2) secretaries shall be provided with a work schedule of one (1) hour less work time per week (with no loss of pay) than the regular full-time schedule for the occupation. This time off shall be for the purpose of conducting appropriate union business. The Union shall certify to the Employer the employees who are to receive the hours per week schedule reduction. The scheduling of said hours shall be at the discretion of the Manager.

3.4. Supervisory personnel not belonging to the Union will be permitted to perform Union work provided such work is not created to result in lay off or lost time for Union members.

3.5. It is recognized that the Employer may introduce a revision in the methods or methods of operation or revise job duties, including technological advances. The Employer agrees that if substantial changes are made in the regular job duties or requirement of any job, either party may propose a revision of the wage standards for that job. In the event the parties cannot agree upon a revision of the wage standards, the matter shall be handled in accordance with the grievance procedure set forth in this Agreement. In the event a new job is created, and the parties cannot agree upon the wages standard, the Union shall have the right to appeal the matter through the grievance procedure of this Agreement.

3.6. Employees may be subject to a mechanized time-keeping system at the discretion of the Employer.

3.7. In the event that an employee suffers a non-work related illness or injury which renders him temporarily unable to perform his duties but he is physically capable of performing the duties of a vacant position in the Municipality, the Employer shall have the right to place the employee in such position. An employee assigned to light duty shall continue to receive the rate of pay associated with his regular job classification. Nothing in this section shall be construed to limit the Employer's right to place an employee on disability retirement. However if an employee does not choose disability retirement when such employee recovers from his non-work related illness or injury, he shall have a right to return to the position he held immediately prior to such disability.

3.8. When a job is created or vacated, such job shall be posted for a period of five (5) working days. Nothing shall diminish management right to fill jobs or abolish jobs. Employees shall not be permitted to move laterally or move into a lower-rated job more than twice in a one (1) year period. Such promotion shall not be considered a break in continuous service for municipality service seniority. However holding a non-Union position for longer than six (6) months constitutes a break in continuous service for Union purposes, and the employee shall forego any right to return to the unit.

3.10. Payment of wages to the members of the Union shall be biweekly in accordance with present practice.
